*Former Beverly Hills Mayor Frank Fenton Passes Away*

Beverly Hills, CA – Former Beverly Hills Mayor Frank Fenton has passed away. A resident of Beverly Hills for over 40-years, he served with distinction on the City Council from 2005-2009 and was mayor in 2009.

On behalf of the Beverly Hills City Council, Vice Mayor Nancy Krasne stated: “Former Mayor Fenton was an active community leader, civic activist and a successful finance professional. He holds the unique distinction of being the only person to have held all three elected offices in the City as a Beverly Hills Unified School District Board Member, City Treasurer, and finally City Councilmember.”

He was an active Little League supporter and truly believed in developing our youth. In recognition for his many years of service, the sports field at La Cienega Park was named Frank Fenton Field in 2009.

An innovator who embodied the best of our City, Former Mayor Fenton set the highest standards for leadership and integrity, while demonstrating the importance of collaboration and respect.

“He has always served this community in so many outstanding ways. He will be missed,” said Vice Mayor Nancy Krasne. “On behalf of the City Council and all City employees I would like to extend my condolences to Judie and their wonderful family with the gratitude of the entire Beverly Hills community for their commitment to our City.”
